

**UKSC 2010**  
The UK Space Conference  
**MARCH 24 - 28**

**INFORM, EXPLAIN and INSPIRE!**

**These are the aims of the UK Space Conference 2010.**

The conference has something for anyone interested in Space and UK Space endeavours. From children to professors of Space Science there is something for everyone.

On March 24<sup>th</sup> there will be a Kids day exclusively for Primary School Children from Key Stage 2, Teachers and Educators. The following three days will include Presentations from Academia and Industry; discussions; a careers event; social events and an exhibition.

There will be a wide range of activities for teachers, children and those interested or involved in Education

## **The Arthur Clarke Awards 27th March 2010**

The Grand Finale of the conference is the Sir Arthur Clarke Gala Awards Ceremony. The UK Space equivalent of the Oscars a 'black tie' event and attended by the elite of the UK Space community.
